(1) The term "person" means an individual, a trust or estate, a partnership, or a corporation.

(2) The term "corporation" includes associations, joint-stock companies, and insurance companies.

(3) The term "domestic" when applied to a corporation or partnership means created or organized in the United States or under the law of the United States or of any State or Territory.

(4) The term "foreign" when applied to a corporation or partnership means a corporation or partnership which is not domestic.

(5) The term "United States" when used in a geographical sense includes only the States, the Territories of Alaska and Hawaii, and the District of Columbia.

(7) The term "Commissioner" means the Commissioner of Internal Revenue.

section, but the amount actually distributed or made available to any distributee shall be taxable to him in the year in which so distributed or made available to the extent that it exceeds the amounts paid in by him. Such distributees shall for the purpose of the normal tax be allowed as credits such part of the amount so distributed or made available as represents the items specified in subdivisions (a) and (b) of section 216.

(g) Where the grantor of a trust has, at any time during the taxable year, either alone or in conjunction with any person not a beneficiary of the trust, the power to revest in himself title to any part of the corpus of the trust, then the income of such part of the trust for such taxable year shall be included in computing the net income of the grantor.

(h) Where any part of the income of a trust may, in the discretion of the grantor of the trust, either alone or in conjunction with any person not a beneficiary of the trust, be distributed to the grantor or be held or accumulated for future distribution to him, or where any part of the income of a trust is or may be applied to the payment of premiums upon policies of insurance on the life of the grantor (except policies of insurance irrevocably payable for the purposes and in the manner specified in paragraph (10) of subdivision (a) of section 214), such part of the income of the trust shall be included in computing the net income of the grantor.

#### **EVASION OF SURTAXES BY INCORPORATION.**

SEC. 220. (a) If any corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its shareholders through the medium of permitting its gains and profits to accumulate instead of being divided or distributed, there shall be levied, collected, and paid for each taxable year upon the net income of such corporation a tax equal to 50 per centum of the amount thereof, which shall be in addition to the tax imposed by section 230 of this title and shall (except as provided in subdivision (d) of this section) be computed, collected, and paid upon the same basis and in the same manner and subject to the same provisions of law, including penalties, as that tax.

(b) The fact that any corporation is a mere holding or investment company, or that the gains or profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax.

(c) When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

(d) As used in this section the term "net income" means the net income as defined in section 232, increased by the sum of the amount of the deduction allowed under paragraph (6) of subdivision (a) of section 234, and the amount of the interest on obligations of the United States issued after September 1, 1917, which would be subject to tax in whole or in part in the hands of an individual owner.

#### **PAYMENT OF INDIVIDUAL'S TAX AT SOURCE.**

SEC. 221. (a) All persons, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States having the control, receipt, custody, disposal, or payment of interest (except interest on deposits with persons carrying on the banking busi-

ness paid to persons not engaged in business in the United States and not having an office or place of business therein), rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual, or of any partnership not engaged in trade or business within the United States and not having any office or place of business therein and composed in whole or in part of nonresident aliens, (other than income received as dividends of the class allowed as a credit by subdivision (a) of section 216) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 6 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon, or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon any such bonds, mortgages, deeds of trust, or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1 a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under subdivision (g) of section 217.

(c) Every person required to deduct and withhold any tax under this section shall make return thereof on or before March 15 of each year and shall on or before June 15 pay the tax to the official of the United States Government authorized to receive it. Every such person is hereby made liable for such tax and is hereby indemnified against the claims and demands of any person for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be re-collected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

case; such reasonable allowance in all cases to be made under rules and regulations to be prescribed by the Commissioner with the approval of the Secretary. In the case of leases the deductions allowed by this paragraph shall be equitably apportioned between the lessor and lessee;

(9) In the case of insurance companies (other than life insurance companies), in addition to the above (unless otherwise allowed): (A) The net addition required by law to be made within the taxable year to reserve funds (including in the case of assessment insurance companies the actual deposit of sums with State or Territorial officers pursuant to law as additions to guarantee or reserve funds); and (B) the sums other than dividends paid within the taxable year on policy and annuity contracts. This paragraph shall apply only to mutual insurance companies other than life insurance companies;

(10) In the case of mutual marine insurance companies, there shall be allowed, in addition to the deductions allowed in paragraphs (1) to (9), inclusive, unless otherwise allowed, amounts repaid to policyholders on account of premiums previously paid by them, and interest paid upon such amounts between the ascertainment and the payment thereof;

(11) In the case of mutual insurance companies (including inter-insurers and reciprocal underwriters, but not including mutual life or mutual marine insurance companies) requiring their members to make premium deposits to provide for losses and expenses, there shall be allowed, in addition to the deductions allowed in paragraphs (1) to (9), inclusive, unless otherwise allowed, the amount of premium deposits returned to their policyholders and the amount of premium deposits retained for the payment of losses, expenses, and reinsurance reserves.

(b) In the case of a foreign corporation or of a corporation entitled to the benefits of section 262 the deductions allowed in subdivision (a) shall be allowed only if and to the extent that they are connected with income from sources within the United States; and the proper apportionment and allocation of the deductions with respect to sources within and without the United States shall be determined as provided in section 217 under rules and regulations prescribed by the Commissioner with the approval of the Secretary.

#### ITEMS NOT DEDUCTIBLE BY CORPORATIONS.

SEC. 235. In computing net income no deduction shall in any case be allowed in respect of any of the items specified in section 215.

#### CREDITS ALLOWED CORPORATIONS.

SEC. 236. For the purpose only of the tax imposed by section 230 there shall be allowed the following credits:

(a) The amount received as interest upon obligations of the United States which is included in gross income under section 233; and

(b) In the case of a domestic corporation the net income of which is \$25,000 or less, a specific credit of \$2,000; but if the net income is more than \$25,000 the tax imposed by section 230 shall not exceed the tax which would be payable if the \$2,000 credit were allowed, plus the amount of the net income in excess of \$25,000.

#### PAYMENT OF CORPORATION INCOME TAX AT SOURCE.

SEC. 237. In the case of foreign corporations subject to taxation under this title not engaged in trade or business within the United States and not having any office or place of business therein, there

shall be deducted and withheld at the source in the same manner and upon the same items of income as is provided in section 221 a tax equal to 12½ per centum thereof, and such tax shall be returned and paid in the same manner and subject to the same conditions as provided in that section: *Provided*, That in the case of interest described in subdivision (b) of that section the deduction and withholding shall be at the rate of 2 per centum.

#### CREDIT FOR TAXES IN CASE OF CORPORATIONS.

SEC. 238. (a) In the case of a domestic corporation the tax imposed by this title shall be credited with the amount of any income, war-profits, and excess-profits taxes paid or accrued during the same taxable year to any foreign country, or to any possession of the United States: *Provided*, That the amount of such credit shall in no case exceed the same proportion of the tax (computed on the basis of the taxpayer's net income without the deduction of any income, war-profits, or excess-profits taxes imposed by any foreign country or possession of the United States), against which such credit is taken, which the taxpayer's net income (computed without the deduction of any such income, war-profits, or excess-profits tax) from sources without the United States bears to its entire net income (computed without such deduction) for the same taxable year. In the case of domestic insurance companies subject to the tax imposed by section 243 or 246, the term "net income" as used in this subdivision means net income as defined in sections 245 and 246, respectively.

(b) If accrued taxes when paid differ from the amounts claimed as credits by the corporation, or if any tax paid is refunded in whole or in part, the corporation shall at once notify the Commissioner, who shall redetermine the amount of the taxes for the year or years affected, and the amount of taxes due upon such redetermination, if any, shall be paid by the corporation upon notice and demand by the collector, or the amount of taxes overpaid, if any, shall be credited, or refunded to the corporation in accordance with the provisions of section 281. In the case of such a tax accrued but not paid, the Commissioner as a condition precedent to the allowance of this credit may require the corporation to give a bond with sureties satisfactory to and to be approved by him in such sum as he may require, conditioned upon the payment by the taxpayer of any amount of taxes found due upon any such redetermination; and the bond herein prescribed shall contain such further conditions as the Commissioner may require.

(c) The credits provided for in subdivision (a) of this section may, at the option of the taxpayer and irrespective of the method of accounting employed in keeping its books, be taken in the year in which the taxes of the foreign country or the possession of the United States accrued, subject, however, to the conditions prescribed in subdivision (b) of this section. If the taxpayer elects to take such credits in the year in which the taxes of the foreign country or the possession of the United States accrued, the credits for all subsequent years shall be taken upon the same basis.

(d) These credits shall be allowed only if the taxpayer furnishes evidence satisfactory to the Commissioner showing the amount of income derived from sources without the United States, and all other information necessary for the verification and computation of such credit.

(e) For the purposes of this section a domestic corporation which owns a majority of the voting stock of a foreign corporation from which it receives dividends (not deductible under section 234) in
